

GREENS POOL THE MUSICAL

Project Update No. 4
27 September 2016

Five weeks to go!

There will be just three performances of Greens Pool The Musical at the Denmark Civic Centre...opening Friday 4 November at 7pm, next day Saturday 5th we have an 11am Matinee (looking to get lots of young people and families there with anyone under 18 paying just \$10) and the finale performance at 7pm that night.

Our previous project **The Rhythms of Life** sold out quickly, and these performances will most likely also sell out, so please go to Morrisons Newsagency for tickets, on sale from Friday 7 October. They can also be purchased at Denmark Arts on Mondays and Thursdays 9am to 4pm, or directly from me.

It's going to be a 'humdinger'

- ten fantastic original songs composed by local singer songwriters
- an all-star band comprising Pete Usher, Jude Iddison, Dave Rastrick, Caroline Blumer, Olly Watkins, Barry Heydenrych, Mark Tupman, plus The Shoal Singers, a string section, massed vocals and The Hip Hobbits
- digital animations artist David Gillet will astound all with his unique digital art and projections
- Cecile Williams has designed some amazing costumes, constructed by a wonderful group of local makers....the theatrical set will also dazzle you in its colour and originality. Cecile sends her appreciation to all those who donated towels...still more needed, and these can be left at Denmark Arts on Mondays and Thursdays, with Anala at the front office
- a whole series of interviews filmed by local filmmakers, which form part of the 'visual feast' of projections... led by Michael Hemmings, with Craig Carter, Peter Keelan and Tim Maisey, helping to document why we all love Greens

We had a very successful local story telling workshop series, with some great new anecdotes and tales, historical and newthanks to all who came to share, and to Denmark Shire for supporting this workshop series.

Fathers Day Gaffe

Firstly, my apologies to all the Dads! It was all very innocent though, as I had chosen a random date three months previously, to fit in with my returning to Denmark after two months away working and travelling. In the end we were all treated to a beautiful day at Greens Pool, kids playing, friends catching up, and some great photos taken by Michael Hemmings and Simon Neville (thanks). My thanks to all who came to join us, including all the Dads.

Help with costumes and set needed?

If you love to sew and would like to volunteer some time, working alongside Cecile Williams and Chrissy Gregory, please give Cecile a call on 0439328940.

We still need two volunteer ushers for the Saturday 5 November finale performance, to collect tickets, hand out programmes and show people their seats,. If you can help, please email Peter Keelan at peter@peterkeelan.com.au or phone 0427798438

Beat the Winter flu....come sing The Greens Pool Blues
